### STOP TOOTH DECAY

In order successfully to do this, a preparation must possess three distinct qualities. It must be germicidal, it must be antiseptic, and above all it must change the fluids of the mouth from "acid" into "alkaline," for acid media is by far the most prevalent cause of tooth decay. Just such an ideal preparation is

### ORA-HYGEN DENTAL CREAM

"The Kind That Saves Teeth"  
Its germicidal properties also prevent disease from entering the system through the mouth. Polishes the teeth to their natural whiteness. Keeps gold crowns and fillings bright. It heals and hardens sore and bleeding gums. Has a delicious taste and sweetens the breath. Cannot harden in or out of tube. Lays flat on the brush. All ingredients printed on label. Result of years of research by a practicing dentist. Costs no more than others at your drugstore. Just try a tube today.

## The Lumberman Knows

—what's what when it comes to Cut Plug. It has to be a mighty sound, pure, full-bodied tobacco that can stand up to the test of a hearty out-of-doors life—and give complete satisfaction.

The lumberman wants a tobacco that has character to it. For forty years Mayo's has been the great favorite among New England lumbermen. That's the record of this rich old Cut Plug with its healthful, mellow flavor—ripe as a nut—cool-burning and slow-smoking.

## Mayo's Cut Plug

is pure old Kentucky Burley, aged carefully until it is pipe-perfect. The same people in the same factory have been making Mayo's for forty years now—

And this grand old tobacco has gone right along making more and more friends and creating more and more healthful enjoyment.

No better cut plug than Mayo's has ever been made—and we do not know of any other cut plug to equal it!

Sold everywhere in 10-cent pouches.

THE AMERICAN TOBACCO COMPANY

### GRANITEVILLE
